skysimhawkt1 Well, I haven't written for more than a week, and I won't write for four whole days. But now is not about that. Yes, I'm still on vacation. Yes, I'm still not working. Yes, I'm still alive. At the weekend I will go to Moscow, as I wanted, but I do not think that we will stay there for a long time. Although I don't know how it will go. In this photo I'm with Max. More precisely, with Max and Sanya. Today I will watch the movie "Avatar", but tomorrow... And tomorrow I will look for a job to finally get out of this vacation
